TASTING NOTES

Sharing the same impeccable breeding as its big brother, the youthful exuberance of Wee Angus is revealed through the gentle plummy characters of Merlot. Deep purple-red hues. A subtle touch of vanillin oak and a generous finish combine to create the perfect accompaniment to your next barbeque. Will continue to improve over the next 2-4 years.

The wine style is undeniably "New World". However there is a distinct effort to create a balance between the ripeness and power of Australian growing conditions with a more refined elegance that is fundamental to the food pairing ambitions of Wee Angus.
